PROFESSIONAL EXPERIENCE

Freelancing Full-stack Web Developer

March 2023 - Present

I have specialized in crafting stunning and effective solutions across diverse client needs from dynamic e-commerce websites to captivating landing pages, engaging games, bespoke web apps, and streamlined content management software. My expertise lies not only in the speed of execution but in ensuring each line of code mirrors precision, creativity, and a relentless commitment to client satisfaction. Transforming visions into tangible, efficient, and aesthetically pleasing digital experience.

LACE-UP sneaker hub E-commerce Web Developer

Jan 2022 - Feb 2023

Designed, developed and maintained an user friendly frontend and robust backend of an e-commerce application with react js and node.js. The sleek integration of these technologies delivered a fully functional, user-centric experience. From captivating UI/UX to secure payment gateways, every detail reflects a commitment to excellence.
